

**PRESS RELEASE: Over £5,000 donated by Eagle Radio Trust  
to causes across Surrey and Hampshire**

With the past month of donations, Eagle Radio Trust has provided £5,700 to charities and community projects throughout Surrey and Hampshire.

The grand total of grants provided by Eagle Radio Trust has risen to over £52,000, since being established in 2007.

Donations from the charity have led to much needed boosts locally, including £500 towards decorating materials at Bordon Garrison Pre School, £350 for new racing poles at Aldershot Ski Club and £450 to provide the Godalming Guides with camping equipment.

Other donations in recent weeks include Family Line in Leatherhead and Camberley Citizens Advice Bureau, who are now training up new volunteers with their Eagle Radio Trust grants.

(Further information on previous donations can be viewed on the Eagle Radio Trust website.)

These recent donations have meant that these causes have been able to purchase new equipment, train volunteers, and develop their help lines.

Barrie Funnell, Trustee of Eagle Radio Trust, is proud of what the charity has delivered throughout both Surrey and Hampshire,
