EAGLE RADIO PRESS RELEASE

PRESS RELEASE: HIGH RISERS ANNOUNCED FOR EAGLE RADIO

Eagle Radio, the commercial radio company which broadcasts to Surrey and Hampshire, has announced two new managerial appointments.

Chris Howell, who joined the company in 2007 via its own Academy training scheme, is to become Community Programme Manager with responsibility for education station Eagle Extra and the ground-breaking eagle3 which features unsigned acts and artists as part of its mainstream output.

In addition, Kim Robson, one of the longest-serving members of the station, is appointed Programme Manager for 96.4 Eagle Radio with a brief for day-to-day operations.

Announcing both appointments Eagle Radio Programme Director, Peter Gordon, said: "I am absolutely delighted for both Chris and Kim who fully deserve their promotions.

"To make new appointments within a business is always exciting, but for them to be for two people who have entirely embraced what Eagle Radio is all about and what we stand for is particularly satisfying.

"As well as making great radio, Eagle's values and cultural environment make us stand out from many similar companies; both Chris and Kim understand this fully and have thrived as a result.

"I look forward to working with them both as we move forward into a very exciting future for the Eagle Radio family."
