COXWOLD VILLAGE MARKET

at Coxwold Village Hall, Coxwold, YO61 4BB

Coxwold Village Market is a brand new Food and Craft market launching in the picturesque village of Coxwold, managed by Katie Turner.

The market is founded on a passion for the community, supporting independent businesses and the provenance of produce. We offer a wide range of artisan, locally made goods which you are guaranteed to love!

Stallholders range from Florists, Bee Keepers, Fromagers and Card Makers to Garden Plant Growers, Butchers, Bakers, Jewellers and Wooden Craft Creators, along with everything in between. It is a hive of talent and inspiration where you can find all you need to fill your fridge, cupboards, present drawer and pet's tummy! Skip your visit to the supermarket, come and see the delights we have on offer and put a smile on a Stallholder's face.

Joining Katie and the Stallholders is the Market Café, the place to breakfast, brunch or even light lunch! The folks behind this new venture, Simon and Helen Rheinberg, are no strangers to the world of catering. They will be cooking up an indulgent and mouth-watering menu, along with offerings of freshly brewed coffee, delicious pots of tea and herbal tisanes; only available at the Coxwold Village Market!

With live entertainment, raffles and delicious, local food how can you not be tempted? Pop along to our next Market in beautiful Coxwold!
